

Discretionary Grants

Discretionary Grants are available year-round and awarded on a rolling basis until funds are fully distributed. These grants are separate from the Foundation's primary grant cycles.

What We Fund

This funding type supports small, well-defined, and time-sensitive projects or activities. Funding is intended for programs, projects, or core support that require more immediate assistance than the standard grant cycle allows.

Grant Amounts

- Up to \$25,000 per request

Eligibility & Timing

- Projects must address an immediate need within the Foundation's service area
- Funded projects must be completed within 12 months of approval

How to Apply

All applications must be submitted through the Foundation's [online grant portal](#).

Reporting Requirements

At the conclusion of the project, grantees must submit brief narrative and financial reports. In some cases, a short debrief call with Foundation staff may also be requested.

Additional Information

Receiving a Discretionary Grant does not affect eligibility to apply during the Foundation's primary grant cycle.
